Join Our Christmas Saving Club Today

Owing to the fact that hundreds of applicants could not be taken care of before the first of the year and to allow all those making New Year's resolutions to save, to take advantage of Our Popular Saving plans, we decided to extend the joining date of the club until February 1, 1916. However, those joining during January must pay the past two weeks' back dues. Don't fail to take advantage of the last opportunity to join.

Keep up the payments and we will add interest at 4 percent.
